Your support made us!

WHO WE ARE

We are a private research consultancy firm that focuses on Conflict Management Consulting, Market Research, Big Data Analytics and Monitoring and Evaluation. We operate in the Larger Horn of Africa Region.

Founded in 2015, Scofield Associates Limited has worked with development partners, implementing partners, local organisations and communities within the nine countries in the larger Horn of Africa Region.

Based in Nairobi, Kenya, Scofield Associates has a diverse regional team of consultants, whose efforts are tailored towards making a positive impact in communities where we work and live.

THE COMPANY

Mission

To provide quality services that meet the expectations of our partners and clients while adhering to ethics and build long-term relations that contribute to mutual prosperity and sustainability

Vision

To be a leading firm in research, capacity building, project management and monitoring and evaluation in the Horn of Africa.
